Other Personnel Costs	19,454

Personnel Totals: \$314,206

Expense Totals: \$587,391

Wondering How You Can Fulfill Your Pledge?

There are many ways to give toward your pledge throughout the year.

You can:

1. Set up Automatic Bill Pay with your bank. This directs your bank to send a check to the church when you choose.
2. Set up Automatic Payments through the GFPC Online Giving platform. You can do this by visiting:
<https://gracefirstpc.churchcenter.com/giving>.
From this page you can determine how frequently your automatic payments will be sent to GFPC by choosing “regularly” from the drop-down menu. Please consider covering the processing fee for your contribution.
3. Give online when you are able. If setting up automatic payments doesn't work for your accounting you can always give online when it's convenient for you. Use the same platform as above (<https://Gracefirstpc.churchcenter.com/giving>) and choose “one time” from the drop-down menu.
4. Text amount (digits only) to 84321
5. Send a check to the church. You can mail your pledge to the church at 606 Mockingbird Lane, Weatherford, TX 76086.
6. Place your pledge in the offering plate when you attend worship each week. Remember, if you give cash without noting it is from you, it will not go toward your pledge. All loose cash goes into the General Operating Fund.

Also, if you bring children to church with you, we encourage you to bring cash (or invite them to bring their own cash) to contribute to the offering.

It's never too early to start learning the importance of generosity in supporting the mission of Jesus Christ through the church.

Thank you for being an important part of ministry at Grace First!
